Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

## SIR:

Responsive to the Office Action mailed on February 15, 2006, and to the requirement for restriction set forth therein, applicant hereby elects Group II, which contains claims 19-33. This election is made with traverse. There have been multiple Office Actions in connection with this application and no similar restriction requirement has been previously made, i.e., between, e.g., the subject matter of claim 1 and e.g., the subject matter of claim 19. These separate sets of claims have been searched and examined together multiple times and thus it is not seen that any good purpose is served by requiring restriction now, very deep into the prosecution of this application.

Further and favorable action is respectfully solicited.
